

How to use SeeSaw Mobile/Tablet Version

1. Search for SeeSaw in the app store and download 'SeeSaw learning journal'
2. Use your password which I sent to you in teams to login by clicking 'I'm a student'
3. Follow the following steps to upload work

This is where you can get back to your learning journal

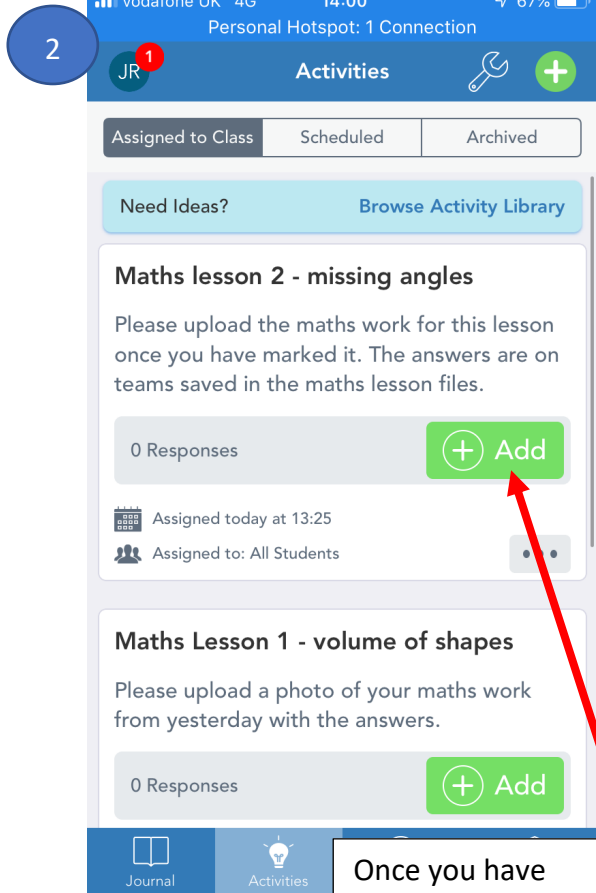

Any messages will come up here.

This is where you will find assignments set – click here to get to assignments.

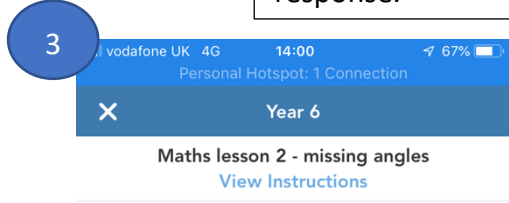

4 Press the green tick to upload!

Take a photo of your work and upload it to here. The easiest way to upload.

If you have made a PP or word document on the computer you can upload it here

Once you have clicked on activities you will get to this page. Click add response.

You can draw/show workings here – you probably won't need this one.

You can type work directly into here.
